

12 December 2022

Good morning,

I am Claybrin McMath, Rehabilitation Team Manager at Helping Heroes Rehabilitation Service.

I am writing to express our support for Shelter SA Submission to the RTA Review based on the barriers our veteran clients face to entry to the rental market.

Kind Regards,

**Claybrin McMath**

REHABILITATION SERVICE

Helping Heroes strive for equitable and non-judgemental treatment of all individuals. We understand the power of an individual's story, with no one individual having greater or lesser value. Additionally, we acknowledge the Traditional Owners of Country throughout Australia. We pay our respect to Aboriginal and Torres Strait Islander cultures and to Elders past, present and emerging.
