General information for residents and park owners

- When the resident vacates the rented property, they should:
 - leave it in a reasonable condition and in a reasonably clean state. If it is not, the park owner may recover from the bond, or from the resident directly, the costs of cleaning the rented property, removing any rubbish, and so on;
 - provide their forwarding address to the park owner, as set out in Section 89 of the *Residential Parks Act 2007* (the Act);
 - ensure that they leave any keys or devices that have been provided to them at the beginning of the agreement with the park owner;
 - if necessary, notify the electricity, gas, and telephone companies, etc so that any new residents do not use gas, electricity and the telephone on the former resident's accounts.
- If possible, agree on how the bond should be refunded. Applications for bond refunds are generally made online with Consumer and Business Services. If agreement cannot be reached, you should read more at sa.gov.au/renting or contact Consumer and Business Services on 131 882
